Forecast for Monday 25 Nov 2024

Weather: Cloudy or partly cloudy overnight with occasional showers. Bright spells and occasional showers during daylight hours, these wintry at times over the highest summits. The showers continuing through the evening, still wintry over the summits, with some drier and clearer spells.

Chance of cloud-free hill tops above 600m: 80%, lowering showers.

Low cloud and visibility: Occasional or extensive cloud, base around the summits, but lowering to around 600m in showers. Visibility very good or excellent, but moderate to very poor in cloud and showers.
